Dear Clare:

Thank you so much for a copy of Made in Windsor that I asked you for.

Although time has not permitted me to read the entire publication, the book and your career represent a monumental achievement.

You are a great inspiration to all who know you.

You and your wife are known for your philanthropy.

In the years that we have shared space on the same floor, I have learned even more about what a kind and generous person you are.

Best wishes for continued success, and the good health to enjoy the fruits of your labours and your success.

Yours very truly,

MARTIN WUNDER
